

Nevada's 2019 Comprehensive Support and Improvement Schools

Overview

Schools listed below have met the designation criteria for Comprehensive Support and Improvement (CSI) under Nevada's federally approved Every Student Succeeds Act (ESSA) Plan. The CSI schools list identifies schools eligible for supports and interventions. CSI schools also qualify for additional funding support through state and federal programs.

Eligibility Categories

CSI schools meet at least one of the following criteria:

- Are in the lowest 5th percentile of schools based on their Index Score by school level on the Nevada School Performance Framework¹ (NSPF);
- Received a 1-Star rating on the Nevada School Performance Framework (NSPF); and/or
- Are high schools with a graduation rate below 67%.

CSI School Cohorts

Once a school is identified as a CSI school, it will remain a part of that cohort for four years, including a designation year followed by a three-year improvement phase, with the goal of exiting CSI designation by achieving at least a 3-star rating and additional criteria. The first cohort of CSI schools were identified in 2017. Therefore, this year's CSI schools list includes schools identified between 2017 and the current year.

Additional Information

Additional information and symbols provided within the CSI schools list may be found at the end of this document.

¹ The Nevada School Performance Framework is the annual school rating system used for all public K-12 schools in Nevada. Scores and ratings are calculated annually by the Nevada Department of Education.

Schools Meeting Comprehensive Support and Improvement (CSI) Criteria

Each of these schools were identified for CSI, in the year specified below, due to an index score in the bottom 5th percentile of schools, a 1-star rating, or a graduation rate below 67%. ^ indicates graduation rates lag one year (i.e. 2019 NSPF graduation rates are based on class of 17-18 rates).
