

Nevada's 2025 Comprehensive Support and Improvement Schools

Overview

Schools listed below have met the designation criteria for Comprehensive Support and Improvement (CSI) under Nevada's federally approved Every Student Succeeds Act (ESSA) Plan. The CSI schools list identifies schools eligible for supports and interventions. CSI schools also qualify for additional funding support through state and federal programs.

Eligibility Categories

CSI schools meet at least one of the following criteria:

- Title I schools in the bottom 5th percentile, according to their adjusted NSPF score index;
- High schools with a four-year adjusted cohort graduation rate (ACGR) below 67%; or
- Title I schools that did not exit an Additional Targeted Support and Improvement (ATSI) designation after three-year improvement plan.

CSI School Cohorts

Once a school is identified as a CSI school, it will remain a part of that cohort for a three-year improvement phase, with the goal of exiting CSI designation by not meeting CSI entrance criteria and additional criteria. CSI schools were first identified in 2017, and the first exit evaluations (for schools designated in both 2017 and 2018) were done in summer of 2023. This year's CSI schools list includes schools that were identified in 2017, 2018, 2019, and 2022 that have not exited.¹

Additional Information

Additional information and symbols provided within the CSI schools list may be found at the end of this document.

¹ Schools designated as CSI in 2017, 2018, 2019, and 2022 that did not exit are schools that are part of a More Rigorous Intervention (MRI) category. Schools in this category will be evaluated annually for exit.

Schools Meeting Comprehensive Support and Improvement (CSI) Criteria

Each of these schools were identified for CSI, in the year specified below, due to an index score in the bottom 5th percentile of schools, or a graduation rate below 67%. Graduation rates lag one year (i.e. 2024 NSPF graduation rates are based on class of 2023-24 rates), and rates as they are used in the NSPF are pooled over 2 or 3 years for schools with an n-size <10. School with an “*” are schools that are part of a More Rigorous Intervention (MRI) category.

Additional Information

Column Header Descriptions

District Code: The number used to identify districts.

District Name: The school district of the identified school. Charter schools that are sponsored by the State Public Charter School Authority are listed as “SPCSA” while school district-sponsored charter schools are listed under their school district sponsor.

NSPF School Code: The number used to identify schools. The number after the period indicates the school’s level (.1 = ES, .2 = MS, .3 = HS).

School: The name of the identified school.

Comprehensive Support and Improvement (CSI) Category: The CSI criteria the school met to be identified. To be identified as a CSI school, a school had to meet at least one of the following criteria: Title I schools in the bottom 5th percentile, according to their adjusted NSPF score index; High schools with a four-year adjusted cohort graduation rate (ACGR) below 67%; or Title I schools that did not exit an Additional Targeted Support and Improvement (ATSI) designation after a three-year improvement plan.²

Year Identified for CSI: Year school was designated CSI.

2025 Title I Status: Schools receiving Title I funding are marked “Y” for yes or “N” for no.

2025 Star Rating: NSPF Star Ratings were calculated for 2023-24.

2025 Index Score (Out of 100): The total number of points, out of 100, a school earned in 2024. Details on how these points are earned can be found on the [Nevada Accountability Portal](#).

2025 4-Year Grad Rate: The 4-year graduation rate included in the 2025 NSPF star ratings. Graduation rates in the 2025 NSPF reflect the graduating class of 2024. Data for schools with an n-size <10 was pooled over 2 or 3 years, and thus rates that are used for the NSPF may not match graduation data reported elsewhere.

² No ATSI Schools have been evaluated for exit as of Summer 2025. The first year that Title I ATSI schools may be designated as CSI if they do not exit ATSI designations will be Summer 2026.
