Mission Statement

Clark County School District Board of Trustees Vision Statement:
All students progress in school and graduate prepared to succeed and contribute in a diverse global society.

Superintendent's Highlights

During the 2017-2018 school year, Superintendent Pat Skorkowsky and the Clark County School District (CCSD) Board of Trustees continued to address the strategies for success as outlined in the District's Pledge of Achievement utilizing the Board of School Trustees' Strategic Imperatives as the guiding principles.Superintendent Skorkowsky and his leadership team acted on the strategies, and the District made efforts to align current resources to the strategies while continuing implementation of the reorganization. The Superintendent released the District Scorecard in October of 2014 and launched the Pledge of Achievement Web page (pledgeofachievement.ccsd.net.) The scorecard measures six indicators of success that are derived from the Pledge of Achievement action plan outlined by Superintendent Skorkowsky during the spring of 2014. The scorecard and relevant data are updated and made available to the public as data becomes available.

Initiatives Aligned to Each Goal

Proficiency: During the 2017-2018 school year, the District launched Phase III of the Nevada Department of Education's Read by Grade 3 (RBG3) initiative. The RBG3 initiative,developed in 2015, provides funding for schools to support targeted remediation for students in grades K-3, professional development to support literacy Learning Strategists which provide professional learning on evidence-based instructional practices for teachers, parent support, and curriculum resources to ensure effective literacy instruction. This year marked the introduction of the Brigance Screen III assessment for all kindergarten students to identify individual student needs and track progress regarding students' literacy levels. The District also launched districtwide MAP Growth Reading assessments for students in Grades K-3 which measures students' reading growth over time.Professional development was provided to elementary teachers, Learning Strategists, and administrators to ensure students are on track for reading by third grade. The Pledge of Achievement's goal of increasing Grade 3 proficiency rates in reading aligns with the RBG3 initiative.

Achievement Gaps: The District launched the "We Love Our Schools" campaign, weloveourschools.ccsd.net, in order to recognize schools that had improvements in student achievement while serving student populations with challenges. The National Assessment of Educational Progress (NAEP) test demonstrated that CCSD students are performing at a comparable level, or even better than, many counterparts in the nation's large urban school districts. One of the major accomplishments for CCSD was the gains among minority students helped to make CCSD results comparable to the other districts included in the data. During the school year,Zoom Schools provided literacy interventions and prekindergarten programs. The Victory Schools program for high poverty zip codes, continued to utilize special funding from the state to offer programs designed to increase student achievement, family engagement and provide wrap-around services. Employees participated in high quality cultural competency training designed to increase the academic achievement of diverse learners. The District utilized grants such as HOPE2 to continue to provide behavior intervention programs to reduce suspensions and expulsions.Programs included school-site mentoring, after-school tutoring, character education, and on-site behavior counseling. In an effort to increase participation of diverse parents on the school organizational teams, the District continued a campaign that focuses on the successful practices of schools for engagement of the school community. This campaign was expanded to include success stories from School Organizational Teams across the district, to help other members see what successes are being realized across the District.

Parent and Community Engagement: During the 2017-2018 school year, elections were held to elect new members to serve on School Organizational Teams at each CCSD school training modules were revised and new modules developed in an effort to prepare members of School Organizational Teams with information they needed before providing advice and assistance to the Principal on the School Plan of Operation. Also, the "SOT Spot" newsletter was established in order to increase direct communication with School Organizational Team members. The District's Family and Community Engagement Services (FACES) Department continued to provide training opportunities for adult family members of current and future CCSD students.

Graduation Rate: During the 2017-2018 school year, the District achieved the highest graduation rate on record. The District

continued the implementation of the High School Cohort Visualization Tool to better track students and identify early on if students are at risk of dropping out. School counselors worked with students to develop individualized graduation plans. CCSD continued the “Reclaim Your Future” program to provide mentoring and other assistance to struggling high school students.The Infinite Campus portal allowed parents to monitor the progress of students to ensure that they were on track to graduate. CCSD continues to provide information regarding Magnet Schools, Career and Technical Academies, Select Schools, the Nevada Learning Academy, and the open enrollment process through the Web site, itsyourchoice.ccsd.net.

Student Safety: The District offered its annual districtwide survey to engage students in who feels safe and happy at school. During the 2017 Legislative Session, Senate Bill 287 was passed which requires all volunteers with unsupervised or regular contact with students to be fingerprinted. CCSD launched ccsd.net/Protect Our Kids, for parents and community members who wish to volunteer in schools. The District partnered with the Nevada Department of Education to present the 2017 Safe and Respectful Learning Environment State Conference. The conference provided participants a variety of opportunities to build on current knowledge as well as gain additional information about the causes and consequences of bullying.Schools celebrated Peace Week, which aims to help students understand and manage conflict while engaging in and modeling peaceful activities. CCSD Regulation 4100 was adopted and mandatory videos created for all staff which outlined parameters for employees, coaches, and volunteers to create caring,trusting relationships while also setting appropriate boundaries when communicating electronically and online. Employees continued to implement the recommendations of the Superintendent’s Internal Task Force on Bullying.Successful programs that encouraged kindness and a safe and respectful learning environment, such as Be Kind, Operation Respect, the Week of Respect, and Flip the Script, were continued.

College and Career Readiness: During the 2017-2018 school year, CCSD received $15 million dollars in federal grant funds to expand its magnet school program to add three new magnet schools to fully establish and implement new Science, Technology, Engineering, and Mathematics(STEM) programs. CCSD was honored nationally for its work to improve college readiness through Advanced Placement (AP) courses and exams and its work to improve college readiness for traditionally under served minority student groups. CCSD students played a large role in helping Nevada earn the largest five-year increase and three-year increase in the percentage of public high school graduates earning a three or higher on the AP exam in the nation. The CCSD surpassed its Pledge of Achievement goal with 36,870 students completing Advanced Placement (AP) and Career and Technical Education (CTE) courses.

2017-2018 Recognition and Awards

Goals and Objectives

SIX INDICATORS OF STUDENT SUCCESS

- Aligned with the Board's Vision Statement
- Drives Board, Superintendent, and CCSD leadership accountability.
- A five-year plan; key measures will be reported in the District Scorecard every December through the 2018-2019 target.

Goal 1: Increase Grade 3 proficiency rates in reading.

Goal 2: Reduce the overall achievement gap percentage points in elementary and middle school between the highest-performing subgroup and ethnic/racial subgroups.

Goal 3: Increase the percentage of students graduating each year.

Goal 4: Increase the percentage of parents reporting that they have been informed regarding their child's progress and feel welcome at school.

Goal 5: Increase the percentage of students who feel safe and happy at school.

Goal 6: Increase the number of students completing Advanced Placement (AP) and Career and Technical Education (CTE) courses each year.

District Communication Efforts

Parents and community members are encouraged to be active participants in the educational process. In the 2017-18 school year, the Clark County School District (CCSD) promoted frequent two-way communication with parents, families, and the community through a variety of meetings, forums, publications, and media:

Board of School Trustees outreach to the community:

- The Board of School Trustees conducted monthly Parent Advisory Committee (PAC) meetings at various locations in the areas they served, and information was put out on social media about each meeting.
- The Trustees also conducted Community Linkage meetings in order for parents and the community to provide input. These meetings were also promoted on social media and through the website.
- The Board of Trustees hosted an interactive television program,"School Matters," on Vegas PBS that airs four times

throughout the year. This program allowed community members to ask and receive answers on a variety of important District topics.
- The Board of Trustees' regular meetings, as well as some work sessions and special meetings, were available on ccsd.net with live streaming in order to provide parents, students and the community with greater access to the meetings and the decision-making process.
- The District also started to broadcast Board of Trustees' committee meetings, including Attendance Zone Advisory Commission, Bond Oversight Committee and Audit Advisory Committee meetings on Facebook Live to provide the public with a mechanism to watch online if they could not attend.
- The Board of Trustees prepared newsletters for their districts that included calendar events, helpful information, and articles on a variety of topics.

Other District community meetings and surveys:

- The District hosted a variety of forums and community input sessions on specific topics at various locations throughout the school year.Topics included the possible creation of policy and regulations regarding gender diverse students, the search process for the selection of a new superintendent, and the development of a policy and regulation regarding appropriate communications and relationships between students and employees. These forums were advertised through social media, ParentLink messages, and by sending advisories to the media.
- Trustees, the Superintendent and District staff attended community meetings, and made presentations to the members of various community organizations.
- Surveys were made available to parents and the community requesting feedback regarding all aspects of schools, including the District's annual districtwide survey, a survey regarding the creation of Policy and Regulation 4100, and a survey about the possible creation of a policy and regulation regarding students with diverse gender identities.
- Parents and community members regularly participated and provided input to critical committees, such as: Career and Joint Technical Skills Committee, Attendance Zone Advisory Commission (AZAC), Bond Oversight Committee, Student Advisory Committee, CCSD Textbook Commission, Sex Education Advisory Council, Nevada Partnership for Inclusive Education, and Area Child Development Centers.

District engagement online and on social media:

- The District provided reports and messages related to educational reforms and planned changes to the community through community meetings,e-mails, parent messaging, web postings, Just the Facts documents posted on ccsd.net and social media, and at presentations at Board of School Trustees meetings. The District provided updates and important messages directly to parents and community members through news releases, web posts, e-mail, and social media venues like Facebook, Instagram, and Twitter.
- The CCSD website provided timely information for parents and provided links to individual school Websites as well as Summer Information and Back to School pages that were available to students and parents.
- Web resources also included a section regarding the District's reorganization (reorg.ccsd.net) that included training information, videos and Legislative updates. There is also a Family section and information on School Organizational Teams (SOTs).
- Multiple video messages from the Superintendent, District staff, and the Board that covered a variety of topics were made available online. Topics included Finance Fridays to educate the community about CCSD's budget, "Setting the Record Straight" videos regarding misconceptions about the District, regular Superintendent Updates, and training videos for parents and educators regarding the establishment of Policy and Regulation 4100, which outlines appropriate relationships and communication between students and employees/volunteers.

Traditional media outreach and publications to engage the community:

- Schools throughout the District produced and distributed information about their specific programs, activities, and events through newsletters, their websites and the ParentLink messaging system.
- The Superintendent and District staff appeared on radio and television shows to inform the community of changes that are currently taking place within the District and to encourage their feedback and foster positive working relationships.
- The District hosted a number of news conferences and prepared and distributed numerous news releases in order to expand the information provided to the community.
- The District produced a number of publications for students, parents and community containing vital information regarding the school year, District achievements, and developments related to the reorganization of CCSD. These publications included the annual Back to School Reporter, CCSD Achieves digital magazine, and Fast Facts – all of which are posted on ccsd.net.
- The District presented "Inside Education," a 30-minute twice-a-month news program on Vegas PBS highlighting activities and achievements in the District, and interviews with District staff, parents, and community representatives.
- The District continued to distribute a weekly education news column in El Tiempo, "Zona Escolar." The District also provided informative monthly articles to be included in the monthly Latin Chamber of Commerce Newsletter.
- The District continued the "What's Cool at School" segment with the local CBS affiliate to highlight different schools, students and staff. Another segment that was added was a monthly "Discussing the District" segment that featured the Superintendent and/or Trustees.

Outline of District strategic plan and progress made:

- The District continues to promote "The Pledge of Achievement" which was unveiled in 2014. Parents were able to get updates on the implementation of the vision and learn how they can get involved at www.pledgeofachievement.com. Those who signed up receive regular email communication.
- The District continued the Pledge of Achievement Scorecard, which allowed parents and community members to track the progress of the Superintendent and the District as it related to the six indicators of success along with baseline data and five-year goals.

Other Family and Community Outreach:

- The Family and Community Engagement Services (FACES) department focused on helping families become more engaged in student academic achievement. Through the University of Family Learning (UFL), adult family members of current and future CCSD students accessed free and valuable educational information and tools to increase both family and student success. By engaging in a variety of courses focused on Parents as Teaching Partners, Navigating the School System, Parent Leadership, and Family Wellness and Development, participants gained knowledge, strategies, and above all, confidence in how to assist their children both at school and at home.
- In addition, FACES launched the Parent Ambassador Program with principals identify a parent leader within each school to increase two-way communication between the District and school communities. Parent Ambassadors established relationships with other parents/families to create a positive support system. FACES also partners to hold the annual Family Enrichment Day.
- FACES hosted quarterly Family Learning Resource Academies (FLRA) throughout the community to offer additional strategies, resources, and information to support student academic success.
- The Office of Charter Schools (OCS) department focused on providing parents and students with information regarding alternative educational venues. In addition, OCS assists parents and students with placement into alternative educational venues.

Discipline

The District continued to focus on the recommendations made by the Superintendent's Educational Opportunities Advisory Committee (SEOAC) in alignment with CCSD Focus Area Disproportionality (FA-6). Discipline data accuracy was established through the use of Infinite Campus, our student information system. Since implementation, Education Services Division (ESD) staff have continued to work with school staff and administration to provide training, implement corrective action plans, and monitor data. All expulsion and behavior school referrals are checked by ESD staff for accuracy and corrected when errors are found. ESD staff worked with leveled principal groups to create and submit one districtwide progressive discipline plan to increase consistency and uniformity in assigning disciplinary resolutions. The districtwide progressive discipline plan was submitted to NDE as required and utilized by all schools in the district. The plan provided less discretion and utilized a tiered intervention and consequence system based on the severity of the infraction and graduated sanctions. Discipline policies and regulations were updated accordingly and behaviors mandating an expulsion referral were reduced, giving principals more flexibility. ESD staff continued to work towards providing better, earlier alternatives to suspension and expulsions by funding alternative programs to keep students on campus, change negative student behaviors, and ensure safe and orderly school campuses. Funding was provided through Heightening Opportunities and Providing Enhanced Education (HOPE2). Quarterly program monitoring was conducted at each funded site and data collection and reporting was completed and submitted. Funded programs were limited to those that have shown success locally. Successful programs were highlighted through quarterly newsletters and at community interest group gatherings encouraging replication of successful programs. HOPE2 leadership focused on training on best practices, successful onsite alternative programs and implementation of restorative justice practices. Policy 5137, Safe and Respectful Learning Environment: Bullying and Cyberbullying, was updated reflective of legislative changes and training modules were modified and updated as well. All school administrators attended a mandatory in person training, and all District employees completed a mandatory electronic training additionally. Student behavior guidelines for both secondary and elementary were updated and distributed to all students. SafeVoice, the statewide anonymous reporting system, went live in January and all principals were trained and they selected and trained their multidisciplinary teams as required. Marketing materials, informational documents, and instructional lessons were provided to all schools in Cohort 1. Tips were monitored by ESD staff and were referred to law enforcement and/or mobile crisis response by Department of Public Safety staff when appropriate. Upon implementation, the District's bullying site was redirected to SafeVoice so that all incoming tips are housed in one system. Bullying/Cyberbullying and SafeVoice training specific to mental health professionals was provided to all social workers, Threat Assessment team members, and school counselors.

In our efforts to eliminate disproportionality, change anti-social student behaviors, and ensure safe school campuses, ESD leadership continued to manage, monitor and evaluate climate initiatives. HOPE2 funds were provided to 115 schools to address unique plans submitted and approved for school implementation. Samford Harmony, our social emotional learning curriculum, was supported through professional development and materials at over 90 elementary schools. Positive Behavioral Interventions and Supports (PBIS) was expanded, providing professional development, coaching, support, and evaluation at 54 schools, elementary, middle and high schools. Safe Schools Professionals provided school wide climate support, agency referrals, small group interventions, individual student support, and family support at 129 schools. The 162 mental health professionals were assigned to schools based on applications demonstrating need, student climate survey data, and narrative information reflecting school/student/family needs. Assignments were made in a feeder school alignment model to provide support to families across schools and grade levels, address student needs earlier, and build trust and establish relationships between mental health professionals and families.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

| means these schools are CEP or Provision 2 Schools and officials do not track who eats breakfast or lunch.

Adult Education is not included in the totals.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'*' indicates that the data was not available.

IEP= Students with disablities

ELL= Students who are English Language Learners

FRL= Students qualifying for Free/Reduced Price Lunch

District totals do not include state or district sponsored charter school data. (2008-Current)

| means these schools are CEP or Provision 2 Schools and officials do not track who eats breakfast or lunch.

Adult Education is not included in the totals.

Data as of: End of school year

'-' indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Discipline and Transiency incidents are reported at the school where the action occurred.

**The purpose of some alternative programs is to enroll students for a short period of time until they can reenroll in a comprehensive school; therefore, transiency rates may be greater than 100% or N/A. Data reported as of the end of the school year.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Student/Teacher Ratio

Student/Teacher Ratio is listed for all classes whose students do not rotate to different teachers.

Data as of: December 1st

'-' indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'*' indicates that the data was not available.

"+" Teachers may serve multiple grade levels as needed. Student/Teacher Ratio is reported for the school as a whole.

"++" Kindergarten ratios are based on the number of classes, not teachers.

District totals do not include state or district sponsored charter school data. (2008-Current)

Data as a of: Previous School Year

'-' Indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'*' indicates that the data was not available.

Data in grade 9-12 excludes pupils:

who successfully completed HSE assessment,

who are enrolled in approved courses for an adult standard diploma,

withdrew from school to attend another school.

Data is not displayed for a group where enrollment information is missing.

Negative value indicates rate cannot be calculated due to zero enrollment.

Nevada System of Higher Education (NSHE) (Fall 2017)

Students enrolled in remedial courses within the Nevada System of Higher Education (NSHE) do not reflect all graduates. Some graduates do not attend college or they attend college out of state.

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)
AS = Percentage of students performing in the "Approaches Standards" range of achievement
MS = Percentage of students performing in the "Meets Standards" range of achievement
ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)
AS = Percentage of students performing in the "Approaches Standards" range of achievement
MS = Percentage of students performing in the "Meets Standards" range of achievement
ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)
AS = Percentage of students performing in the "Approaches Standards" range of achievement
MS = Percentage of students performing in the "Meets Standards" range of achievement
ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)
AS = Percentage of students performing in the "Approaches Standards" range of achievement
MS = Percentage of students performing in the "Meets Standards" range of achievement
ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
