Goals and Objectives

During the 2018-2019 school year, Superintendent Jesus Jara developed a five-year strategic plan for the Clark County School District (CCSD) entitled Focus: 2024. Developed under the leadership of the Board of Trustees and through hundreds of voices

across CCSD, this work started with a listening tour conducted by Dr. Jara during late summer and fall 2018. Dr. Jara learned from over 125 community meetings, over 100 school and department visits, retreats with the Trustees and visits with local and state government officials. The conversations resulted in the following key takeaways:

- All means ALL.
- Every student deserves access to a rich and rigorous education and a quality teacher.
- We need to improve teaching and learning conditions.
- We must build public trust.
- We must focus on the safety and security of our schools.

These takeaways were later focused into priorities and goals established by the Board through retreats. These priorities and goals laid the groundwork for CCSD leadership to review data and develop the initial metrics and strategies for the plan.

Dr. Jara and his team went through an extensive feedback anddevelopment process to make sure (1) priority areas were inclusive of allneeds; (2) objectives and targets listed in each priority area would effect changein that area if achieved; and (3) strategies, if implemented successfully,would allow CCSD to reach those measurable targets. All principals had theopportunity to review and provide feedback on the work. Drafts of the plan wereshared at five town hall community meetings and with chambers of commerce,business partners, and community groups. Dr. Jara continually communicated withTrustees throughout. Finally, a subcommittee of K-12 principals came together to give a final review and provideadditional feedback as targets and strategies continued to be refined.

Dr. Jara released Focus: 2024 in January 2019. The plan'sintroductory language, reprinted below, provides appropriate context for itsdevelopment and implementation:

Student Success is our primary focus.

Everything we do and every decision we make focuses on our youngpeople to ensure they are prepared for the future.

The Focus: 2024 strategic plan articulates a set of priorities andstrategies that place students at the core of everything we do. All work is inservice of student success because we know that strengthening instruction,operations, and community connections are critical to achieving our ambitiousgoals.

We also know the only way we will transform our system and providethe educational experiences our students deserve is to recruit, support, andretain the people who help us thrive.

Focus: 2024 will invest in people to drive student success, ensuring all staff support ourstudents to be ready to succeed in a global society.

Overview of Strategic Priorities

Throughout Focus: 2024, work is approached through a theoryof action that recognizes that "Our people drive our success." It follows, "Inorder to realize this plan, we must commit to attracting, growing, retaining,and rewarding our people." This theory helped to operationalize establishedcore values of high expectations, accountability, equity, innovation,integrity, leadership, customer service, and communication, into five strategicpriorities that will enable the District to achieve student successtargets.

- Increase access and equity to rigorous curriculum and instruction for all students.
- Ensure students and staff are safe and engaged at school.

Priority 2: Teachers,Principals, and Staff. Objectives and strategies are designed to ensure all students haveaccess to highly effective teachers, principals, and school staff.

Priority 3: BalancedGovernance and Leadership. Objectives and strategies are designed to enhance CCSD'sGovernance and Leadership structures to reflect the needs of the community.

- Improve financial equity and stability and ensure regulatory compliance with finance and budget related requirements.
- Ensure operational effectiveness and efficiency of school and district facilities and operational resources.
- Reduce the general fund impact caused by safety concerns resulting in injury or damage.

- Leverage internal resources to help parents/guardians support student achievement and attendance.
- Secure strategic external resources and community partners.

District Communication Efforts

Parents and community members are encouraged to be active participants in the educational process. In the 2018-19 school year, the Clark County School District (CCSD) promoted frequent two-way communication with parents, families, and the community through a variety of meetings, forums, publications, and media:

Board of School Trustees outreach to the community:

- The Board of School Trustees conducted monthly Parent Advisory Committee (PAC) meetings at various locations in the areas they served, and information was placed on social media about PAC meetings.
- The Trustees also conducted Community Linkage meetings in order for parents and the community to provide input. These meetings were also promoted on social media and through the website.
- The Board of Trustees hosted an interactive television program, “School Matters,” on Vegas PBS that aired four times throughout the year. This program provides community members with answers on a variety of important District topics.
- The Board of Trustees’ regular meetings, as well as most work sessions and Committee meetings, were available on ccsd.net and/or Facebook Live streaming in order to provide parents, students and the community with greater access to the meetings and the decision-making process.
- The Board of Trustees prepared newsletters for their districts that included calendar events, helpful information, and articles on a variety of topics.
- Community-wide PAC meetings were also held in October 2018 and March 2019 to provide the public with information about how education is funded in Nevada and the 2019 Legislative Session.

Other District community meetings and surveys:

? Trustees, the Superintendent and District staff attended community meetings, and made presentations to the members of various community organizations.

? Surveys were made available to parents and the community requesting feedback regarding all aspects of schools, including the District’s annual district-wide survey.

? Parents and community members regularly participated and provided input to critical committees, such as: the Attendance Zone Advisory Commission (AZAC), Bond Oversight Committee and Student Advisory Committee. As part of the entry plan for the new superintendent, “Java with Jara” meetings were created so that the Superintendent and community could interact and participate in two-way dialogue. Meetings were held at local high schools, businesses and community centers to engage the public. The Superintendent presented and listened to 4,600 community members through his 90-day entry plan.

? The Superintendent and Trustees hosted 14 roundtables with Support Professionals and teachers (one of each in all seven Trustee districts) in April and May.

District engagement online and on social media:

- The District provided reports and messages related to educational reforms and planned changes to the community through community meetings, e-mails, parent messaging, web postings, Just the Facts documents posted on ccsd.net and social media, and at presentations at Board of School Trustees meetings.
- The District provided updates and important messages directly to parents and community members through news releases, web posts, e-mail, the ParentLink messaging system, and social media venues like Facebook, Instagram, and Twitter.
- The CCSD website provided timely information for parents and provided links to individual school Websites as well as Summer Information and Back to School pages that were available to students and parents.
- Web resources also included a section regarding the District’s reorganization (reorg.ccsd.net) that included training information, videos and Legislative updates. There is also a Family section and information on School Organizational Teams (SOTs).
- The Superintendent recorded monthly “Java with Jara” videos distributed through the district’s bimonthly community newsletter. The district sends a monthly newsletter to community supporters as well as the faith-based community.
- The District’s social media accounts are utilized daily to promote District and school activities and accomplishments; dates and times for Board and Committee meetings, FACES events, safety reminders, partnering with other entities and to encourage the community to be involved in public education.

Traditional media outreach and publications to engage the community:

- Schools throughout the District produced and distributed information about their specific programs, activities, and events through newsletters, their websites and the ParentLink messaging system.
- The Superintendent and District staff appeared on radio and television shows to inform the community of changes that are currently taking place within the District and to encourage their feedback and foster positive working relationships.
- The District hosted a number of news conferences and prepared and distributed numerous news releases in order to expand the information provided to the community.
- The District produced a number of publications for students, parents and community containing vital information regarding the school year. These publications included the annual Back to School Reporter, and Fast Facts – all of which are posted on ccsd.net.
- The District presented “Inside Education,” a 30-minute twice-a-month news program on Vegas PBS highlighting activities and achievements in the District, and interviews with District staff, parents, and community representatives.
- The District continued to distribute a weekly education news column in El Tiempo, “Zona Escolar.” The District also provided informative monthly articles to be included in the monthly Latin Chamber of Commerce Newsletter.
- The District continued the “What’s Cool at School” segment with the local CBS affiliate to highlight different schools, students and staff. Additionally, a monthly “Discussing the District” segment that featured the Superintendent and/or Trustees was utilized.

Introduction of District strategic plan:

- Focus: 2024, the district's five-year strategic plan, was approved by the CCSD Board of School Trustees in February. The plan was first introduced to the community for feedback during a series of five town hall meetings held in January with a presentation and question and answer format.
- A webpage, Focus2024.ccsd.net was created for convenient access to the plan by the community.
- The plan was also shared on social media and local media also aired and published stories on the plan.
- The Superintendent was interviewed about Focus: 2024 on local NBC, ABC, CBS, and Fox morning shows.

Other Family and Community Outreach:

- The Family and Community Engagement Services (FACES) department focused on helping families become more engaged in student academic achievement. Through the University of Family Learning (UFL), adult family members of current and future CCSD students accessed free and valuable educational information and tools to increase both family and student success. By engaging in a variety of courses focused on Parents as Teaching Partners, Navigating the School System, Parent Leadership, and Family Wellness and Development, participants gained knowledge, strategies, and above all, confidence in how to assist their children both at school and at home.
- In addition, FACES launched the Parent Ambassador Program in which principals identify a parent leader within each school to increase two-way communication between the District and school communities. Parent Ambassadors established relationships with other parents/families to create a positive support system. FACES also partners to hold the annual Family Enrichment Day.
- FACES hosted quarterly Family Learning Resource Academies (FLRA) throughout the community to offer additional strategies, resources, and information to support student academic success.
- The Office of Charter Schools (OCS) department focused on providing parents and students with information regarding alternative educational venues. In addition, OCS assists parents and students with placement into alternative educational venues.

Discipline

The Education Services Division administration provides annual training to all administrators assigned to handle student discipline. The training covers the behavior tab in Infinite Campus, accuracy in event and resolution codes, student searches, student expulsion procedures and related statutes, student attendance procedures and related statutes, investigation procedures, and discipline data reporting. In addition, all administrators must attend a thorough, annual training specific to bullying and cyberbullying. This training incorporates the relevant sections of Chapter 388 of the Nevada Revised Statutes (NRS) as well as Clark County School District Policy 5137 – Safe and Respectful Learning Environment. Training sessions define bullying and cyberbullying, outline the mandated protocols and timelines, review all available guidance documents, and provide further discussion and information to promote a safe and respectful learning environment throughout the Clark County School District (CCSD). The trainings are provided to CCSD board members, central office administrators, principals, assistant principals, deans and substitute administrators prior the start of each school year. The training is also provided monthly to all newly appointed school administrators. A team drive for the Division hosts a bullying folder, which is available to all CCSD employees and houses all bullying and cyberbullying documents, forms, and guidance documents. Our student information system, Infinite Campus, includes all required reporting documents, which are, populated automatically when schools enter a bullying and/or cyberbullying event. Event types in Infinite Campus that fall under the NRS definition of bullying/cyberbullying can only be selected after the administrator selects bullying as the event type. Specialized training is also provided to all school counselors and social workers/other mental health professionals providing an overview of the bullying/cyberbullying laws, which include any changes to NRS and mandated protocols and timelines with an emphasis on the ten-day follow-up, which is often completed by the counselors or social workers.

All CCSD employees, including administrators, are also provided an online training session on Policy 5137, Safe and Respectful Learning Environment; which includes the following topics: Bullying and Cyberbullying; Harassment and Intimidation; School Safety Team; Violence and Suicide Prevention; Suicide Facts; Suicide Risk Factors; and Resources. Similarly, during the onboarding process, all new CCSD employees and volunteer coaches are provided with the same training.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

'-' indicates data not presented for groups fewer than 10.

'N/A' indicates that this population was not present.

'*' indicates that the data was not available.

For further explanation on cohort graduation indicators and other terminology, please see the glossary section.

Cohort Graduation Rate is lagging data, which means that for 2012-2013 Report Card, data from 2011-2012 school year (class of 2012) is being reflected. Likewise, in the 2011-2012 Report Card, data from 2010-2011 (class of 2011) school year is reflected.

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.nv.gov.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)
AS = Percentage of students performing in the "Approaches Standards" range of achievement
MS = Percentage of students performing in the "Meets Standards" range of achievement
ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
