## Superintendent's Highlights

Lyon County School District, with over 9,000 students and 1,100 staff members, is the fourth largest school district in Nevada. LCSD comprises 18 schools in 5 unique attendance areas including Dayton, Fernley, Silver Springs, Smith Valley and Yerington. Each school boasts highly qualified, dedicated and caring instructional leaders and staff who work tirelessly to ensure the learning needs of each student are realized. The District motto of "Every Student... Every Classroom... Every Day" comes to life when you step into the classroom and see students engaged in rigorous learning opportunities.

We invite all families, citizens, and community leaders to visit our schools and participate in the education of our students. We know that our students will achieve their learning goals and lifelong dreams through the collective work of all adults in Lyon County and the great state of Nevada. Thank you for your continued commitment to our future.

### Highlights of Student and Staff Accomplishments:

LCSD launches Grow Your Own (GYO), a scholarship program to assist classified staff and substitute teachers in their dream of becoming certified educators.

Partnering with Western Nevada College allowed hundreds of students to have dual enrollment and these students will receive high school and college credit continuously. In addition, 31 of these students will receive an Associate's Degree in May 2020. The graduating class of 2019 had 51 students graduate with an Associate's Degree through dual enrollment with Western Nevada College.

A Healthy Communities Coalition partnership secures grant funded social workers and coordinators to help students and their families receive medical, dental, vision and mental health services.

Boys and Girls Club in collaboration with the schools provide enriching before and after school programs for students. All schools have implemented a positive, supportive, and safe learning environment emphasizing social emotional learning through school-based initiatives, to promote a culture of respect.

All schools honor the importance of family engagement through a variety of opportunities, including Booster Clubs, PTA's, PTO's, Parent Universities, Watch Dog Dads, Family and Science Nights, Student-Led Conferences, etc. Students and staff have raised tens of thousands of dollars and donated thousands of hours to support local families, charities, food banks, blood drives and other community needs.

Students and staff honor veterans, first responders and other inspiring community members through a variety of school events. Pre-Kindergarten continues to offer services to over 300 eligible students, enhancing their opportunity for school success.

## Goals and Objectives

**Goal 1: *Lyon County School District will provide all students a world class education that prepares them to be successful in college, career, and as citizens.***

### Measurable Objectives:

1. By June 5, 2020, there will be a 25% increase in the number of students who will demonstrate their academic mastery by creating digital media through the co-use and HACK model as measured by observation data and student work samples.
2. By June 5, 2020, 100% of students will receive high quality instruction through the "Effective Instructional Practices" and the use of the multi-tiered system of supports (MTSS) as measured by observation and implementation data.
3. By June 5, 2020, 100% of students will participate in two problem-based learning activities per semester as measured by student work samples and documented by the supervisor.
4. By June 5, 2020, there will be a 10% increase in the CTE technical skill attainment and a 20% increase in work-based learning (WBL) participation as measured by the technical skill assessment results and WBL employment hours.

**Goal 2: *Lyon County School District will provide a world class education in a positive, safe and respectful learning environment.***

### Measurable Objectives:

1. By June 5, 2020, all schools will achieve a Positive Behavior Intervention Supports (PBIS) score of at least 70% or better as measured by the Tiered Fidelity Inventory (TFI).
2. By June 5, 2020, there will be a 20% decrease in the number of days students are removed from the classroom for disciplinary reasons by training staff in and implementing restorative justice as measured by the District discipline data.
3. By June 5, 2020, all schools will ensure a welcoming, safe, inclusive and equitable school community as measured by a 10% increase in the District culture and climate survey.

## District Communication Efforts

Lyon County School District's Parental Involvement Policy, IICD, recognizes involvement as key to academic achievement. Parents and community members are active participants in the educational process. As partners in education, frequent two-way communication is fostered. The district has developed a communication plan that can be accessed on the district website.

In addition to this work, the district uses the following methods to communicate: LCSD utilizes Infinite Campus Messenger, a web-based communication system that allows the school to better relay scheduling of events, student absences and other important school information. Schools use Infinite Campus Messenger to notify parents of emergency situations, upcoming events, student attendance and to invite their participation.

The Superintendent and District staff attend community meetings to encourage feedback and foster positive working relationships. All schools have Parent Advisory Committees that meet regularly to address issues impacting students, parental involvement, provide parents with training and ensure that parents are involved in the development of each school's parent involvement policy.

The list of activities to encourage parental involvement in LCSD includes: Parent Summits, Parent Advisory Councils, disseminating information through brochures, holding parent teacher conferences, conducting workshops for parents, sending home regular correspondence through newsletters and grade reports, providing families with support services, maintaining open and inviting facilities, and including parents in the decision making process as appropriate.

LCSD recognizes the extreme importance of each parent's role in the success of our students' academic achievement and their ongoing learning. It is an expectation of LCSD that every teacher, during the first month of school, make initial contact with the parents of their students to establish an effective school to home partnership. The LCSD website and Facebook page contain timely parent information and links for parents to reach individual school websites and Facebook pages within LCSD. Parents and community members regularly participate and provide input to critical committees such as:

- District Performance Plan Committee
- School Performance Plan Committee
- Career and Technical Education Committee

- Parent Involvement Committee (Title I)
- PTSA

Additionally, all parents may have access to their own child's grades, attendance, and school bulletin through LCSD's student information system known as Infinite Campus (IC). Parents are also encouraged to email administrators and teachers through IC as a method of keeping in touch with the educators in their children's lives. District and school publications provide important information and a means to communicate with District personnel.

LCSD, in compliance with Nevada Senate Bill 214 Section 17, provides the Nevada Code of Honor and the Educational Involvement Accord to parents. The Honor Code and Accord support state Parent Involvement Policies and the federal Elementary and Secondary Education Act. The Educational Involvement Accord and Student Code of Honor reinforce District expectations for student achievement and behavior. These documents can be found on the LCSD website. LCSD provides timely and appropriate communication to parents as required by federal law and state statute.

## Discipline

To ensure that all allegations of bullying are investigated and dealt with, the District has provided Assistant Principals at each elementary, middle and high schools. All administrators have participated in training to identify both bullying and cyber-bullying, how to investigate allegations, how to document allegations, and appropriate consequences for students who bully. Each school has a progressive discipline policy which addresses bullying and cyber-bullying. School's Progressive Discipline Policies can be found on their web-sites. Consequences are consistent throughout the district. All schools participate in programs to help create schools that are bully-free zones. In addition, each school uses other activities such as "Be Kind" to promote tolerance and empathy among students. The district has purchased "Second Step," a K-5 bullying prevention curriculum for all sites within that range. The district has also provided training for administrators in the "Developmental Assets" and other Social-Emotional Learning opportunities to ensure our schools are providing all students a world class education in a positive, safe and respectful learning environment that prepares them to be successful in college, career and as citizens. Lyon County School District employs the Safe Voice system for stakeholders to report issues anonymously. We hold monthly meetings with all of our counselors to discuss and develop plans of action in regards to issues that happen at the sites.

Data as of: End of school year

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Discipline and Transiency incidents are reported at the school where the action occurred.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

\*\*The purpose of some alternative programs is to enroll students for a short period of time until they can reenroll in a comprehensive school; therefore, transiency rates may be greater than 100% or N/A. Data reported as of the end of the school year.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'NA' indicates that this population was not present.

'\*\*' indicates that the data was not available.

Data in grade 9-12 excludes pupils:

who successfully completed HSE assessment,

who are enrolled in approved courses for an adult standard diploma, withdrew from school to attend another school.

Data is not displayed for a group where enrollment information is missing.

Negative value indicates rate cannot be calculated due to zero enrollment.

### Nevada System of Higher Education Remedial Data
