### Mission Statement

ECSD empowers students to go anywhere and be anything through teaching and learning excellence, productive relationships and responding to each learner's unique needs. VisionGrow here. Go Anywhere. Core Values ? All students can learn? Education is a shared responsibility? Innovative experiences foster problem solving, critical thinking and discovery ? Honesty and integrity in all we do

---

### Superintendent's Highlights

The Elko County School District proudly serves the families of approximately 10,000 students and over 1,100 employees. Located within the county boundaries are 7 distinct communities spread across over 17,000 sq miles, making it the second largest geographic school district in the contiguous United States. This includes schools ranging from several 1-room school houses, to K-12 Combined schools, to a High School with over 1,400 students. Among these, three are 21st Century Learning Center Schools and seven are Title I. One of our schools was also among the few selected nationally as a Code.org school, for their efforts and leadership in advancing Computer Science in our schools. ECSD enjoys strong partnerships and community collaborations with such entities as Nevada Gold Mines and Kinross Bald Mountain, who provide much financial and volunteer support to schools all across the county. The Elko Federal Credit Union, Elko County Sherriff's Office and Elko City PD are essential in supporting our students and faculty from a physical and mental health and safety perspective. Spread the Word Nevada helps us put books in kids' hands, build family libraries and emphasize the importance of literacy from an early age. All of our sites are proud to be a 1:1 technology school, putting digital resources in every student's hand, including access to 24/7 unlimited and multilingual tutoring and academic support. All these services, among others, help foster safe and respectful learning environments and support the whole student socially and emotionally. The ECSD enjoys students and staff whose backgrounds and demographics are just as diverse as the types of schools they attend. With so many unique communities and makeups, it is no wonder that the ECSD has so many different and wonderful accomplishments to celebrate. From the classroom, to co-curricular activities and student organizations, to the field of competition in athletics, our students and staff shine bright. Among the many noteworthy celebrations are such items as two students who were chosen nationally to attend the Joint Science and Technology Institute, the Nevada State Champion for Poetry Out Loud, the Nevada winner for the Congressional Art Competition, the Nevada Scholastic Challenge 6th Grade State Champion, and a 2nd Place National Finisher in FCCLA, just to name a few. These students are supported by so many amazing and dedicated staff who are just as accomplished themselves, including the Nevada Theatre Teacher of the Year, Student Council Advisor of the Year, FCCLA Advisor of the Year, and a winner of the prestigious Milken Award. Our students and staff also excelled on the field, court and track, with three of our teams winning State Championships in Cross Country, Track and Wrestling, and two more teams who earned the honor of State Academic Champions in Baseball and Volleyball. The Elko County School District is immensely proud of our students, staff and all stakeholders in our school community who make Elko County schools a wonderful place to learn, succeed and pursue your dreams. In the ECSD, you can truly "Grow Here and Go Anywhere".

---

### Goals and Objectives

Goal #1: Increase the percentage of 2nd and 3rd grade students who are projected to be proficient or advanced on the SBAC Language Arts/Literacy assessment by 3 percentage points each year for the next three years as measured by the Spring MAP Growth Reading assessment:

2023-2024- from 32% to 35%

2024-2025- from 35% to 38%

2025-2026- from 38% to 41%

Goal #2: Increase the percentage of 4th-7th grade students who are projected to be proficient or advanced on the SBAC Mathematics assessment by 3 percentage points each year for the next three years as measured by the Spring MAP Growth Mathematics assessment:

## 2022-2023 District Accountability Report

2023-2024- from 24.3% to 27.3%

2024-2025- from 27.3% to 30.3%

2025-2026- from 30.3% to 33.3%

Goal #3: Implement the district's newly developed Strategic Plan. The plan consists of four pillars: 1. Students Prepared for the Future 2. Teaching and Learning Excellence 3. Family and Community Engagement 4. Student and Staff Wellness.

2023-2024- Rollout and implementation of initial actions associated with each pillar.

2024-2025-Continued implementation of initial actions as well as introduction of additional actions identified within each pillar.

2025-2026- Continued implementation of actions started during the previous two school years and introduction of any remaining actions identified within each pillar.

### **District Communication Efforts**

Our relationships with families and the community are productive and meaningful. Communication to ECSD families and larger communities is a multi-tiered responsibility shared across our District. Ongoing and positive communication that affects a large group of students, or our entire student community, is sent from the District Office using newsletters, text messages, voice calls, the website, and app alert system. These communications include the promotion of family engagement activities, wellness events, notices and alerts. ECSD actively promotes ongoing dialogue with parents and guardians by asking for feedback on important decisions, policy, and programming through the use of surveys and public forums. We encourage engagement with the Board of Trustees by providing video summaries of board meetings and making the videos widely available on social media platforms and email. The ECSD Family and Community Engagement Center (FACE) provides Family Liaisons based at all Title I schools. Additionally, this year, Public Relation Liaisons will be a new stipend position at each school whose responsibilities will include sharing information on the schools' website, app and social pages.

### **Discipline**

Safevoice is used district wide. Hope Squad - suicide mainly but also used for bullying. Bullying curriculum is utilized through counselors as well.

### **Curriculum Details**

We utilize state approved curriculum in all grade levels and subject areas. We are currently restarting our textbook adoption process for all subject areas and grade levels on a 7 year rotating basis to replace some old curriculum. New purchases were paused for a period of time due to budget constraints. We purchased new math curriculum for all courses and grades last year and will be doing a foreign language adoption next year with other subjects to follow. We only purchase curriculum approved by the state board of education.

## Demographics and Student Information

Data are provided by the Nevada Department of Education from the state student information system. Gender, race/ethnicity, and special student populations are reported as of validation day.

### Gender and Ethnicity

	#	Race/ Ethnicity														Gender

Data as of Validation Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*' indicates that the data was not available.

IEP= Students with disabilities

EL= Students who are English Learners

FRL= Students qualifying for Free/Reduced Price Lunch

District totals do not include state or district sponsored charter school data. (2008-Current)

| means these schools are CEP or Provision 2 Schools and officials do not track who eats breakfast or lunch.

Adult Education is not included in the totals.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

Continuously enrolled tracks English Learner enrollment from the beginning of the school year (validation day count) to the end of the school year.

## Student Average Daily Attendance (ADA)

Student Average Daily Attendance (ADA) is the percentage of the school enrollment in attendance on an "average school day" as of the 100th day of school.

	All Students	Am In/ AK Native	Asian	Hispanic	Black	White	Pacific Islander	Two or More Races	IEP	EL	FRL
State	91.6	89.8	94.7	90.9	90.0	92.8	90.5	91.9	90.2	90.8	91.1

## Student Average Daily Attendance (ADA)

Student Average Daily Attendance (ADA) is the percentage of the school enrollment in attendance on an "average school day" as of the 100th day of school.

	All Students	Am In/ AK Native	Asian	Hispanic	Black	White	Pacific Islander	Two or More Races	IEP	EL	FRL

ADA Data as of: First 100 days of instruction

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

IEP = Students with disabilities

ELL = Students who are English Language Learners

FRL = Students qualifying for Free/Reduced Price Lunch

Top and bottom coding applied to values that fall <5% or >95%, in order to protect student privacy.

District totals do not include state or district sponsored charter school data. (2008-Current)

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

PY = reported for prior school year

Data as of: End of school year

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Discipline and Transiency incidents are reported at the school where the action occurred.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

PY = reported for prior school year

\*\*The purpose of some alternative programs is to enroll students for a short period of time until they can reenroll in a comprehensive school; therefore, transiency rates may be greater than 100% or N/A. Data reported as of the end of the school year.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

PY = reported for prior school year

### Student/Teacher Ratio

Data as of: Previous School Year

'.' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

Data in grade 9-12 excludes pupils:

who successfully completed HSE assessment,

who are enrolled in approved courses for an adult standard diploma, withdrew from school to attend another school.

Data is not displayed for a group where enrollment information is missing.

Negative value indicates rate cannot be calculated due to zero enrollment.

### Nevada System of Higher Education Remedial Data

Students enrolled in remedial courses within the Nevada System of Higher Education (NSHE) do not reflect all graduates. Some graduates do not attend college or they attend college out of state.

'-' indicates data not presented for groups fewer than 10.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

Cohort Graduation Rate is lagging data, which means that for 2012-2013 Report Card, data from 2011-2012 school year (class of 2012) is being reflected. Likewise, in the 2011-2012 Report Card, data from 2010-2011 (class of 2011) school year is reflected.

For further explanation on cohort graduation indicators and other terminology, please see the glossary section.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

Adjusted Diploma receivers and HSE Earners are not considered Graduates in the ACGR calculations.

Although Adult Diploma receivers are considered as graduates in Nevada, per the federal regulations they are not considered as graduates in the ACGR calculations starting with the 4-year class of 2021-22.

For further explanation on cohort graduation indicators and other terminology, please see the glossary section.

Cohort graduation rate data is lagging data.

[Progress toward meeting long-term goals and measures of interim progress for 4- and 5-year ACGR \(per section 1111\(h\)\(1\)\(C\)\(vi\)\) is available](#)

## Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to [www.nevadareportcard.nv.gov](http://www.nevadareportcard.nv.gov).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

# 2022-2023 District Accountability Report

Data as of: December 1st

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

PY = reported for prior school year

## Fiscal Information

### Per-Pupil Expenditures 2021-2022

No Data Available

'N/A' indicates that this population was not present.

'\*\*' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Schools only showing up with \$0 are new and data was not collected for prior year.

NDE in consultation with InSite adjusted formula used to calculate per pupil expenditures with the Annual Reports of Accountability, rendering comparisons between the year and past years data.

## Personnel Information

### Classes Not Taught by Highly Qualified Teachers

Highly qualified teachers hold a minimum of a bachelor's degree, are licensed to teach in the State of Nevada, and have demonstrated competence in their teaching area. Data were obtained from the Office of Teacher Licensure as of May 2023.
