## Superintendent's Highlights

Lyon County School District, with over 9,000 students and 1,100 staff members, is the fourth largest school district in Nevada. LCSD comprises 18 schools in 5 unique attendance areas including Dayton, Fernley, Silver Springs, Smith Valley and Yerington. LCSD also includes LyOnline, which is a full-distance education option for LCSD students. Each school boasts highly qualified, dedicated and caring instructional leaders and staff who work tirelessly to ensure the learning needs of each student are realized. We are very excited to introduce our newly developed Portrait of a Learner, which embodies the learning journey in the LCSD through four domains and multiple competencies. The District motto of "Every Student... Every Classroom... Every Day" comes to life when you step into our schools and see students engaged in rigorous, real-life learning opportunities within the domains of "Learning for Life", "Connected Learners", "Student Ownership", and "Discovery Learning". LCSD is student focused and committed to their success.

We invite all families, citizens, and community leaders to visit our schools and participate in the education of our students. We know that our students will achieve their learning goals and lifelong dreams through the collective work of all adults in Lyon County and the great state of Nevada. Thank you for your continued commitment to our future.

### Highlights of Student and Staff Accomplishments:

Classified Staff, Substitutes, Counselors, Special Education Instructors and Nurses from the LCSD family have the opportunity to apply for a Grow Your Own (GYO) Scholarship to continue their education and join the LCSD family when they complete their learning course!

In addition, 39 of these students received an Associate's Degree in May 2023. The graduating class of 2022 had 36 students graduate with an Associate's Degree through dual enrollment with Western Nevada College.

A Healthy Communities Coalition partnership secures grant funded social workers and coordinators to help students and their families receive medical, dental, vision and mental health services.

Boys and Girls Club in collaboration with the schools provide enriching before and after school programs for students. All schools have implemented a positive, supportive, and safe learning environment emphasizing social emotional learning through school-based initiatives, to promote a culture of respect.

All schools honor the importance of family engagement through a variety of opportunities, including Booster Clubs, PTA's/PTO's, Parent Universities, Family Science Nights, Student-Led Conferences, etc. Students and staff have raised tens of thousands of dollars and donated thousands of hours to support local families, charities, foodbanks, blood drives and other community needs.

### District Communication Efforts

Lyon County School District's Parental Involvement Policy, IICD, recognizes involvement as key to academic achievement. Parents and community members are active participants in the educational process. As partners in education, frequent two-way communication is fostered. The district has developed a communication plan that can be accessed on the district website.

## 2022-2023 District Accountability Report

In addition to this work, the district uses the following methods to communicate: LCSD utilizes Infinite Campus Messenger, a web-based communication system that allows the school to better relay scheduling of events, student absences and other important school information. Schools use Infinite Campus Messenger to notify parents of emergency situations, upcoming events, student attendance and to invite their participation.

The Superintendent and District staff attend community meetings to encourage feedback and foster positive working relationships. All schools have Parent Advisory Committees that meet regularly to address issues impacting students, parental involvement, provide parents with training and ensure that parents are involved in the development of each school's parent involvement policy.

The list of activities to encourage parental involvement in LCSD includes: Parent Summits, Parent Advisory Councils, disseminating information through brochures, holding parent teacher conferences, conducting workshops for parents, sending home regular correspondence through newsletters and grade reports, providing families with support services, maintaining open and inviting facilities, and including parents in the decision making process as appropriate.

LCSD recognizes the extreme importance of each parent's role in the success of our students' academic achievement and their ongoing learning. It is an expectation of LCSD that every teacher, during the first month of school, make initial contact with the parents of their students to establish an effective school to home partnership. The LCSD website and Facebook page contain timely parent information and links for parents to reach individual school websites and Facebook pages within LCSD. Parents and community members regularly participate and provide input to critical committees such as:

- District Performance Plan Committee
- School Performance Plan Committee
- Career and Technical Education Committee
- Parent Involvement Committee (Title I)
- PTSA

Additionally, all parents may have access to their own child's grades, attendance, and school bulletin through LCSD's student information system known as Infinite Campus (IC). Parents are also encouraged to email administrators and teachers through IC as a method of keeping in touch with the educators in their children's lives. District and school publications provide important information and a means to communicate with District personnel.

LCSD, in compliance with Nevada Senate Bill 214 Section 17, provides the Nevada Code of Honor and the Educational Involvement Accord to parents. The Honor Code and Accord support state Parent Involvement Policies and the federal Elementary and Secondary Education Act. The Educational Involvement Accord and Student Code of Honor reinforce District expectations for student achievement and behavior. These documents can be found on the LCSD website. LCSD provides timely and appropriate communication to parents as required by federal law and state statute.

## Discipline

To ensure that all allegations of bullying are investigated and dealt with, the District has provided Assistant Principals at each elementary, middle and high schools. All administrators have participated in training to identify both bullying and cyber-bullying, how to investigate allegations, how to document allegations, and appropriate consequences for students who bully. Each school has a progressive discipline policy which addresses bullying and cyber-bullying. School's Progressive Discipline Policies can be found on their web-sites. Consequences are consistent throughout the district. All schools participate in programs to help create schools that are bully-free zones. In addition, each school uses other activities such as "Be Kind" to promote tolerance and empathy among students. The district has purchased "Second Step," a K-5 bullying prevention curriculum for all sites within that range. The district has also provided "Purpose Prep" for administrators and counselors in grades 6-12 as well as other Social-Emotional Learning materials to ensure our schools are providing all students a world class education in a positive, safe and respectful learning environment that prepares them to be successful in college, career and as citizens. Lyon County School District employs the Safe Voice system for stakeholders to report issues anonymously. We hold monthly meetings with all of our counselors to discuss and develop plans of action in regards to issues that happen at the sites.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

### Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to [www.nevadareportcard.nv.gov](http://www.nevadareportcard.nv.gov).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
