Mission Statement

Vision: All Nevada students are equipped and feel empowered to attain their vision of success.

Mission: To improve student achievement and educator effectiveness by ensuring opportunities, facilitating learning, and promoting excellence.

Superintendent's Highlights

Assessment Results:

Nevada completed all assessments for the 2023-24 school year and will provide all assessment results on the Nevada Accountability Portal as mandated. Districts and schools are required to meet the 95% participation rate requirement for Mathematics and English Language Arts (ELA) Criterion Referenced (CRT) assessments. Nevada will report assessment results for 2023-24 and this will be the third consecutive school year of statewide assessment since the COVID 19 pandemic in spring 2020. While the results are an important indicator of academic achievement, they may not necessarily be comparable to assessment results prior to the pandemic.

Graduation Rates:

The four-year graduation rate decreased for the Class of 2023 to 81.4 percent. That is down from 81.7 percent the year before. In 12 of Nevada's 17 school districts as well as the State Public Charter School Authority (SPCSA), students graduated at a higher rate than the State average of 81.4 percent. Nine of Nevada's 17 school districts showed increases in graduation rates from the previous year, with Storey School District showing the highest gain. Other districts with year-to-year increases in graduation rates include Churchill County School District, Clark County School District, Douglas County School District, Elko County School District, Lander County School District, Lincoln County School District, Lyon County School District, and Mineral County School District.

NSPF Star Ratings: The Nevada Department of Education (NDE) calculated the Nevada School Performance (NSPF) Star Ratings. The Index Scores provided for all NSPF indicators and measures were calculated using 2023-24 accountability data.

Federal School Designations:

The NDE designated schools for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI) and Additional Targeted Support and Improvement (ATSI) based on 2023-24 school year student performance data.

Academic Growth and Closing Opportunity Gaps:

Academic growth for elementary and middle schools is calculated using two consecutive years of data. Nevada continues to analyze assessment data for both 2022-23 and 2023-24 school years to ensure that the State's Other Academic Indicators meet minimum size requirements as well as equal representation of student populations across districts and schools.

Goals and Objectives

Goals and Objectives

- **Goal 1:** All children, birth through third grade, have access to quality early care and education.
- **Goal 2:** All students have access to effective educators.

- **Goal 3:** All students experience continued academic growth.
- **Goal 4:** All students graduate future-ready and globally prepared for postsecondary success and civic life.
- **Goal 5:** All students have access to new and continued educational opportunities supported by funding that is administered transparently, consistently, and in accordance with legislative or grant guidelines.
- **Goal 6:** All students and adults learn and work together in safe environments where identities and relationships are valued and celebrated.

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

*** indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

The USDA extended flexibility to allow free meals to all children for the 2020-21 school year in response to the COVID 19 pandemic.

PY = reported for prior school year

FRB Eligible and FRB/FRL Receivers are no longer required to be reported starting with 2023-2024.

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

*** indicates that the data was not available.

Data in grade 9-12 excludes pupils:

who successfully completed HSE assessment,

who are enrolled in approved courses for an adult standard diploma, withdrew from school to attend another school.

Data is not displayed for a group where enrollment information is missing.

Negative value indicates rate cannot be calculated due to zero enrollment.

FRB Eligible and FRB/FRL Receivers are no longer required to be reported starting with 2023-2024.

Fiscal Information

Per-Pupil Expenditures 2022-2023

The Nevada Department of Education in consultation with In\$ite adjusted the formula used to calculate per pupil expenditures beginning with the 2009-2010 Annual Reports of Accountability. Therefore, we have two appropriate comparisons sets; comparisons 2003-04 SY through 2008-09 SY and comparisons of 2009-10 SY and forward.

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.nv.gov.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Note: District totals do not include state or district sponsored charter school data.

The development of this annual state accountability report is a joint effort among the Nevada Department of Education and Nevada school districts. This report is provided to the public as required by the federal Every Student Succeeds Act (ESSA) and NRS 385A.400. A comprehensive listing of all accountability data, including student test data, may be accessed on the Nevada Annual Reports of Accountability website at www.nevadareportcard.nv.gov.
